

# iTero Element Flex

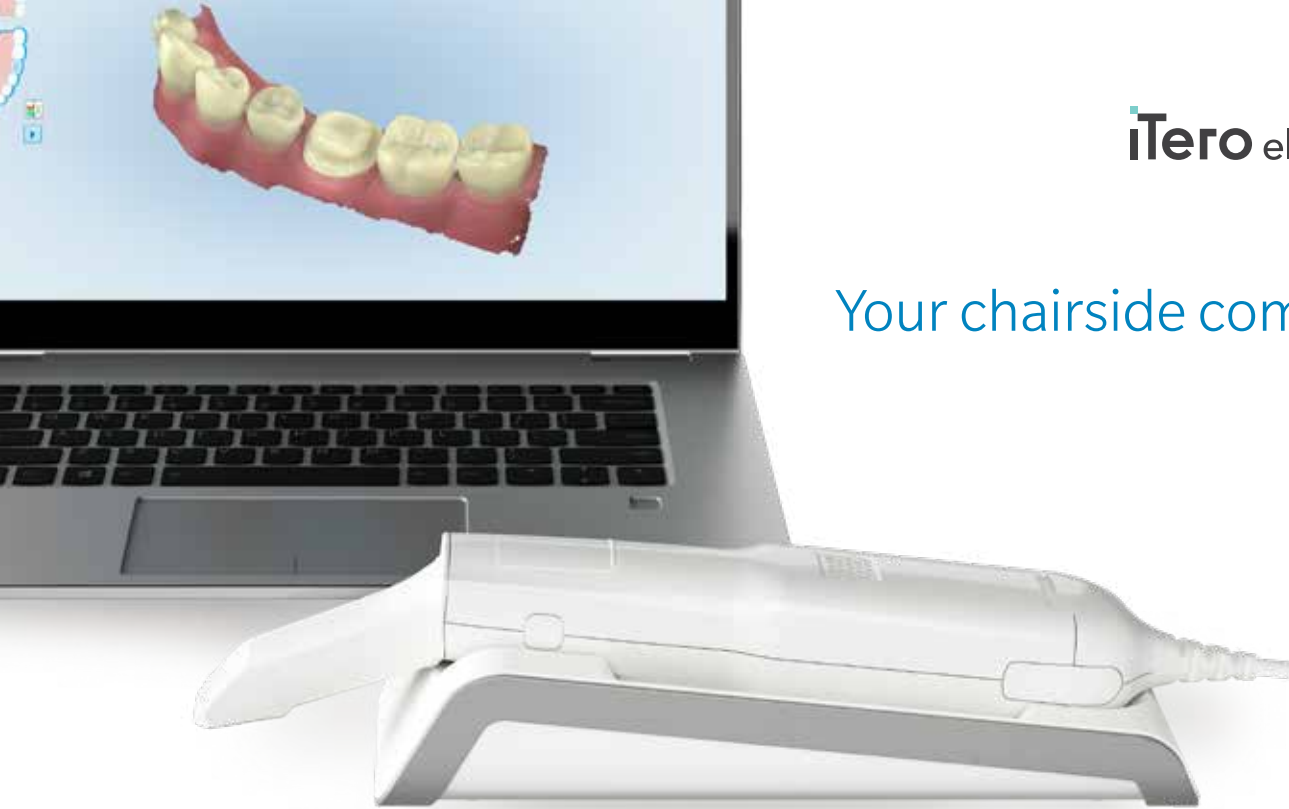

Portable

I'm iTero Element Flex and  
I go wherever you go.

My unique, wand-only configuration puts the power of iTero Element technology right in your hands, so you can perform full-arch scans in even the smallest office. I prove that power can come in small packages.

## Your chairside companion

### iTero Element Flex features

- Wand-only configuration with accessories such as wand cradle, connection cables, Flex hub with iTero software
- Custom-designed carrying case for the ultimate in mobility
- Enhanced colour for stunning and precise imaging
- Perform crisp, full-colour, high-definition 3D scans in as little as 60 seconds\*
- Wand touchpad is as intuitive and easy as gesturing on your smartphone

\*Scan times vary and depend on individual experience. Data on file at Align Technology.

### Visualise a better practice

Together, we can streamline your workflow.

- Restorative and orthodontic workflows
- Optimised Invisalign connectivity
- Visualisation tools
- Chairside milling integration

iTero Element Flex is recommended to be used with a list of compatible laptops, set out on [www.itero.com/en/products/itero\\_element\\_flex](http://www.itero.com/en/products/itero_element_flex).

These laptops should only be used as part of the iTero Element Flex system, and are not recommended for any other purpose. Laptop to be purchased separately.
