Cart

Expand your vision powerfully,
seamlessly, immediately.

With the iTero Element Plus Series Intraoral Scanners

20+ years of expertise to amplify your experience and capabilities.

The iTero Element Plus Series offers all of iTero's digital capabilities in the power of one scan—with a plus.

A powerhouse of capabilities:*

- Integrated 3D intraoral¹ camera—get more out of one scan
- 20% less waiting time for scan to process²
- Improved viewing angles—engineered for more treatment plan acceptance
- Enhanced brightness & visualisation

State-of-the-art experience:

- Our smoothest scanning experience so you can scan every patient at every appointment
- Ergonomically designed to conform to you and how you work
- 20+ years of engineering expertise poured into a triumph of design—built to offer patients an exceptional experience

Built-in sleeves container

Shorter legs at the front

Designed to address your needs:

- More freedom of movement with an 18% smaller footprint³
- Available in Mobile and Cart configurations
- Integrated battery for 30 minutes of scanning (unplugged power unit)
- Clear upgrade path through the next generation and beyond
- Peace of mind with unlimited and secure, cloud-based storage
